

Greetings and thank you for your interest in the 2013 Merchantville Farmers Market!

The Merchantville Farmers Market is a community market supporting and promoting local farmers, growers and producers of agricultural products. Our focus is on organic and sustainable foods and goods. We welcome applicants that wish to sell fruit, vegetables, herbs, baked goods, prepared foods, dairy products, meat, eggs, plants, cut flowers and other agricultural products.

Our Farmers Market is located along a beautiful, tree-lined greenway in the heart of our downtown. The season runs from June 1st thru October 19th and will take place from 9:00 AM until 1:00 PM on the **FIRST** and **THIRD** Saturday of each month.

The Market operates rain or shine. If a vendor chooses not to show in inclement weather, the fee will not be refunded. As with all farmers markets compliance with all applicable federal, state, and local health and safety regulations is required for participation. All prepared food vendors must return a completed Camden County Farm Market application.

In this introductory packet you will find:

- **Merchantville Farmers Market Rules**
- **Merchantville Farmers Market Preliminary Application**
- **Camden County Farm Market Application**
- **Hold Harmless-Indemnification Agreement**
