IMPORTANT CHANGES to 2016 ELECTRONICS RECYCLING EVENTS

2016 Electronics Recycling Events will **NOT** be accepting older style rear projection and CRT televisions and monitors

Camden County is joining other NJ counties in asking electronics manufacturers to fulfill their legal obligation under the NJ E-Waste Law to provide our residents with free and convenient recycling of CRT and rear projection TVs and computer monitors. For information on disposal of these unaccepted items please contact the NJ Department of Protection at (609) 984-3438.

NOTE: FLAT PANEL TVs and Monitors will continue to be accepted at all electronics recycling events

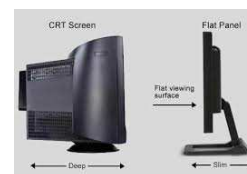

NOT Accepted: CRT TVs, Computer Monitors & Rear Projection TVs

Accepted: TVs and Computer monitors
