

Celebrate the Earth in Merchantville!

Come one, come all to Merchantville's Earth Fair on Saturday, May 9, 2020, from 11:00 a.m. to 4:00 p.m., to celebrate the 50th Anniversary of Earth Day.

This FREE event is sponsored by The Borough of Merchantville and The Merchantville Task Force and, hosted by the Borough's Sustainability Partners – The Green Team, The Garden Club, Incredible Edible Merchantville, The Shade Tree Commission, The MES Junior Green Team and Merchantville 4H Club.

The fair will feature eco-friendly exhibitors, non-profits, and businesses from the greater South Jersey area at booths on waste recycling, pollinator gardens, reducing your carbon footprint, backyard chickens, natural health, electric cars and edible landscaping.

Attendees of all ages will learn about earth-friendly topics, environmental issues, green practices and simple lifestyle changes to attain sustainable living. The fair will also offer lots of children's activities, educational programs, demonstrations, live animals, music, food and games.

Merchantville's Earth Fair will provide a great opportunity to enjoy a day in our historic downtown learning about environmental issues and simple, sustainable living solutions.

For additional information, to participate as a vendor or volunteer please email incredibleediblemerchantville@gmail.com or submit your application through Eventbrite: <https://www.eventbrite.com/e/merchantville-earth-fair-eco-friendly-vendors-wanted-registration-95368554915?aff=ebdssbeac>

Eco-friendly Vendors Wanted

Merchantville's Earth Fair will feature eco-friendly exhibitors, non-profits, and businesses from the greater South Jersey area at booths on waste recycling, pollinator gardens, reducing your carbon footprint, backyard chickens, natural health, electric cars and edible landscaping. A great opportunity to share information about environmental issues and simple, sustainable living solutions.

Booth Registration:

A booth reservation gets you one 10'x10' space in the designated downtown Earth Fair area. Vendors are responsible for supplying their own event infrastructure including canopy, tables, chairs, displays. Please note that there is NO access to a power supply at the event.

Once You've Registered:

You will receive email confirmation of acceptance or rejection. If accepted, you will receive an informational email the week of the event which will include "day of event" logistics including loading / unloading procedures and times. Please be sure to include an email address that you check frequently when registering so you do not miss any announcements. Also, let us know how you want your booth name to appear in the online booth listing.

Keeping Earth Day "Green":

In keeping with a strong environmental commitment, the event will be zero waste and all registrants must indicate in their application what environmental educational message or product you will be promoting at the event. Organizers reserve the right to disqualify vendor applications that do not have an environmental message to convey or product to sell. We require that all wastes (bags, to-go containers, cups, drinking straws, etc.) generated during the event must either be recyclable or compostable.

Borough Restrictions – Alcohol, Dogs, and Smoking:

The Borough of Merchantville adheres to established municipal regulations for public places regarding consumption of alcohol, smoking and dogs.
