### TEE IT UP! ... LET'S PLAY BALL!

Little League® is all about Fun, Fitness and Fundamentals!  
Learn the game!

For generations of Little Leaguers® (ages 4-7), their first steps between the lines came in Tee Ball. The same is true of the parents and volunteers who too are new to the Little League program.

The Little League Tee Ball curriculum focuses on providing a fast-paced, fun and athletic experience while teaching the fundamentals of the game.
